Re: 8300 Earhart Blvd.

Dear Sirs:

Congratulations! The above referenced property, a designated city landmark under the jurisdiction of the New Orleans Historic District Landmarks Commission, will be receiving an award at the Commission's upcoming Awards Ceremony. The Commission holds their awards program to recognize those who have performed quality work in the historic districts.

Our Awards Committee reviewed work in the categories of renovation, restoration and new construction. Three types of awards will be given: Honor Award, Merit Award and Achievement Awards, with the Honor Awards being the highest. No one will know which award he/she will be receiving until we announce the winners at the ceremony, but you can be sure that you will be recognized for your contribution to the preservation of our historic districts.

The Awards Ceremony will be held this year on October 22, 2009, at the City Hall City Council chamber, 1300 Perdido Street, adjacent to City Hall. The ceremony will begin at 6:00p.m. and will be followed by a reception in the breezeway. You will receive an invitation soon.

In addition to the owners, the architects and contractors who worked on the project will be honored as well. According to our files, you are the owner of this property. Those who will be recognized along with you for this project are:

Mathes Brierre Architects – architects
Lands Construction Co., L.L.C. - contractors

Please contact us if any of the information in this letter is not correct. If you would like your names to be listed differently, please let us know as soon as possible.
