DAVID BLANCHARD, AIA

IAN MOLONY, FRANK MERCHAN

■ The Juvenile Justice Center is designed as a single facility to house both the new Youth Study Center and the New Orleans Parish Juvenile Court. When completed, the Juvenile Justice Center will be an approximately 112,000 square foot state-of-the-art juvenile care and juvenile court building housing six Juvenile Court Judges, Clerk of Courts Office, Judicial Administrative Services, as well as offices for the Orleans Public Defenders, Juvenile District Attorneys, Juvenile Regional Services, and a community outreach center for pre- and post-adjudication services. The entire facility shall be designed and built implementing sustainable design practices, materials, and methods of construction.
