

NEW ORLEANS MEDICAL DISTRICT MASTER PLAN

URBAN PLANNING

COMPLETED: 2008

PROGRAM: 245 ACRES OF DOWNTOWN NEW ORLEANS

BUDGET: \$500,000

CLIENT: NEW ORLEANS REGIONAL PLANNING COMMISSION

MBA TEAM: KEITH SCARMUZZA, ASLA

SUZANNE HERZOG, ASLA

N-Y ASSOCIATE: BRUCE RICHARDS, AICP

■ The Mathes Brierre Planning and Landscape Architecture Studio provided urban design expertise for a physical and economic vision for this existing medical and biosciences district to position the area for sustainable future growth as a key component of the New Orleans economy. The urban design elements include wayfinding, sustainable transportation, open space integration, infrastructure improvements, and mixed-use development enhancements.
