

# OFFICES OF PAN AMERICAN LIFE SAN SALVADORE

NEW CONSTRUCTION

**COMPLETED:** 1998

**PROGRAM:** 15,000 SF

**BUDGET:** \$7.8 MILLION

**CLIENT:** PAN AMERICAN LIFE

**MBA TEAM:** EDWARD C. MATHES

ANN SCHMUELLING | FRANK MERCHAN

The site chosen was at the distinguished corner of Alameda Dr. Manuel Enrique Araujo y Calle Nueva Uno in the new financial district of Colonia Escalon in San Salvador. The building consists of two underground levels of parking and five floors of office space. It has been built to US standards of a Class A building. Pan American Life now occupies portions of three floors of the building. Citibank, N.A. and other Multi-national companies have purchased various floors of the building.
